ACTA REPORT

Mal Dyson – President Paul Gilbert – CEO

As you may already be aware, memberships for 2020 renewals opened on the 1 November.

I am pleased to advise that there have been no increases in current ACTA membership fees for next year. As we move towards 2020, we trust that our clubs will continue to embrace the opportunity to attract new members to their ranks and provide them with a positive, safe and enjoyable exposure to our sport. Being an Olympic year, we can be assured that our sport will obtain an increased exposure come 24 July and will hopefully obtain some podium results that will ensure even more media exposure and participant interest.

2020 will also see some brave new changes in a few other areas. In our recent Risk Management Report and Plan, major concerns were raised with regard to the payment of cash prizes at competitions. Not only does this expose the recipients to risk by receiving cash that can be lost or stolen during or post-event, it is also a major risk for office personnel who have to withdraw and carry huge amounts of cash from our bank prior to the events then count, carry and hold the cash in envelopes at the venue for collection by the event winners. While I am probably going to earn the wrath of some members, (this may not be the most popular decision for some), by necessity, electronic payment processing of these prizes will need to occur for all National Titles commencing in 2020. Please be assured that the only thing that will change here is the delivery method ... all prizes will still be paid to winners of events where cash prizes are offered ... the only change will be the actual payment process. Our current thoughts are that each winner will be sent an email post-event congratulating them of their win and asking them to please forward us their bank account details for payment of the cash prize. So, those of you who are fortunate enough to be "in the money" come next Nationals, please be aware and ready for this new transition.

Target Tender and Testing

Every couple of years the ACTA offers the target manufacturers / importers the opportunity to supply us with test targets from which we target test and determine which targets we will be using at the National Ground for our National Championships.

The process is pretty simple. A single brand / type of target is randomly loaded into each trap house, the only person knowing the brand and type of each target in each trap being the CEO, (the number of trap houses used being the number of different targets supplied/ tested). A group of AA Grade shooters are brought to the ground to "test" the targets. They progress from layout to layout, shooting a set number of targets per layout each, following which they grade each target on break-ability, flight characteristic / consistency and visual ease of sighting. An observer also independently performs the same grading for the full complement of targets thrown. During the test, no communication is had with or between testers or observer, and they independently score each target at the end of their test on each layout. We also test each target to determine its hardness.

At the end of the test, scores are tallied by the CEO, and the targets are placed in a table from most highly rated to lowest. The results are then forwarded to the Executive Committee for them to endorse the preferred target. We will announce the results in the Clay Target newsletter as soon as they are available.

This tender is currently being conducted for the years of 2020 and 2021. Manufacturers are excitedly discussing the wonderful advancements that have occurred in enviro / eco-targets in recent years, a number feeling confident that this new variant will now out-perform their traditional pitch targets. We look forward to advising the outcome in due course!

Sponsorships

We are also in the process of presenting sponsorship proposals to potential sponsors for the next two years. With recognition that we have some wonderful sponsors, we are developing different tiers of sponsorship from Platinum to Bronze and Trade Fair only. Hopefully this will offer our supporters a wide range of opportunities and promotions that will be reflected at future National Events and associated activities.

Progress on the National Ground – Grounds and Facilities Service Team

Those of you who live locally may have noticed some

major cosmetic improvements at the National Ground over the last month. This is due to the pride, enthusiasm and energy being thrown into the Grounds by our new Grounds maintenance team, Brenton and John. Both are very excited to be working with us and getting into the job, and we feel confident that we have made a great decision in hiring these gentlemen at the Association. They are both very positive, can-do people who have already come up with some solutions and great ideas to improve the amenities and make them more user-friendly moving forward.

We have also recently been progressing through the recruitment process for the Media, Marketing and Facilities Coordinator's position. This employee will concentrate the majority of their time delivering The Range Function Centre and also performing a lesser role in editing the Clay Target newsletter and some social media. With Maureen now moving towards her last month at the Association, we will soon have more new faces than old!

ACTA Hall of Fame

In another piece of exciting news regarding The Range Function Centre, Mark McInnes has offered to assist with the Trap Hall of Fame, and in doing so, will bring all history and inductees particulars up to date. Many of you who have visited the National Grounds will be aware that the main foyer of The Range is intended to, in the future, be a Walk of Fame. Currently we have one photo montage highlighting the great Donald Mackintosh, Australia's first Olympic shooting Gold medallist, who has been accoladed with National competitions and teams named in his honour. With Mark's kind assistance, we hope to expand this display with other great champions of our sport over the coming years. Mark is also making some suggestions and has some great ideas to implement in order to rejuvenate the Trap Hall of Fame presentation dinner with a new format that will add more glamour to the event.

ACTA Strategic Plan

To other breaking news, we are currently speaking with a Queensland company with the view to preparing a strategic plan proposal. We will hopefully be in a position to present this to the National Executive early next year. We feel this is an extremely important project for the ACTA to embark upon as a new Strategic Plan will shape the direction of our organisation moving forward and help us to be more proactive in an ever-changing, customer-focussed business.

VCTA Update

Following on from the NSW State Trap Carnival last

month, The Victorian State Trap Carnival has just been held in Echuca over the weekend and was a huge success, attracting over 450 competitors from all States & Territories and including overseas guests from New Zealand. Attracting this number of competitors is an excellent result and the VCTA Executive is to be acknowledged and congratulated on running such a great and successful Carnival.

Along with the Victorian Champs, the VCTA AGM occurred. At that meeting, a new President was elected – Mr Lynne Curtis. Lynne has also recently returned to the ACTA National Executive Committee as a Victorian Delegate, and will now be joined by Victoria's newly appointed second Delegate Mr Les Kadziela, congratulations to Lynne on his appointment to his new role on the VCTA Executive Committee.

In closing, we would like to encourage our members to offer us interesting articles that might also be shared with the wider membership community. This is your newsletter and we are always wishing to provide more engaging, relevant and entertaining content. We can only print the content that we are given ... it is up to you to provide us with items that make it enjoyable to open and read. With Christmas just around the corner, please be on the lookout for good news stories that might occur at your club over the coming weeks.

Mal Dyson – President

Paul Gilbert – CEO

**On behalf of the National Executive and Staff
of the National Office I would like to extend
our warmest best wishes for a Merry Christmas

is December 5**

Russell Mark

Sport Australia Hall of Fame

This is the highest accolade that any sportsperson in Australia can receive – the induction into the Sport Australia Hall of Fame. In the past there have been 572 inductions across a myriad of sports and contributions; from our best-known athletes to some of our hardest working administrators. The 35th Induction Awards was certainly a gala event and, understandably, considered sporting Australia's Night of Nights.

It was a daunting request when I was asked to "write up" the nomination for Russell to be inducted into the Hall of Fame. A man that I did not personally know, at that stage, but one that I recognised and respected as an outstanding Australian sporting champion and a well-known competitor of the highest order in clay target shooting.

On reading through the brief I had been provided with my first impression was "why has it taken so long for Russell to be nominated?".

Sport Australia Hall of Fame Inductee, Russell Mark, being congratulated by ACTA and VCTA President, Malcolm Dyson

His list of achievements is extensive and exceptional.

Russell's highlights include:

- 1996 Olympic Gold Medallist – Men's Double Trap

L to R: Luke Van Kempen (SA), Jeff Bell (VCTA), Russell Mark, Cath Fettell (SA), Clive Pugh (SA), Malcolm Dyson (ACTA & VCTA) and Paul Gilbert (ACTA)

- 2000 Olympic Silver Medallist – Men's Double Trap
- 1994 & 97 – World Champion – Men's Double Trap
- 1998 & 03 – World Silver Medallist – Men's Double Trap
- World Cup Individual Gold Medallist – 91, 92, 93, 99, 00 & 03
- World Team Gold Medallist 1998 & 1999
- Commonwealth Games Gold medal – 2006
- Commonwealth Games Silver medal – 2002
- Commonwealth Games Bronze medal – 1990
- 39 Australian Open Individual (ACTA) National Championships
- First Australian to hit 1000 consecutive targets (Los Angeles, Men's Trap 1991)

Just to name a few! Russell's achievement list is phenomenal and in 2007 the International Shooting Sports Federation inducted him into its Hall of Fame as "the Greatest Double Trap Shooter of all time!"

In 2009 Russell was inducted into the ACTA's Hall of Fame as its youngest ever member.

The night itself, a very formal 'black tie' affair, was a collection of "Who's Who" of Australian Sport. It was an absolute privilege to be part of the group that was at the event to help Russell celebrate his induction. The group included Russell's family, friends and representatives from ACTA, VCTA and Shooting Australia – it was certainly an honour to be there.

Among all the speeches and awards there was one thing that stood out for me, in particular. During Russell's acceptance speech, and in different conversations during the night, Russell made reference to a particularly relevant point – (paraphrased) – "recognition for an athlete's performance, particularly in the shooting sports, only comes after success at Olympic or Commonwealth success".

Russell, you are an absolute champion of our sport. Well done and well deserved.

*Jeff Bell
State Secretary VCTA*

NEW SOUTH WALES State Skeet Carnival

What a weekend, I don't think I have ever seen the weather so bad at the NSW State Skeet Carnival in all my 10 years of being State Secretary.

We had the wind, we had the torrential rain, we had the freezing cold temperatures and yet the Skeet fraternity still showed up and supported the State with hosting the 2019 NSW State Skeet Carnival.

The results below will speak for themselves, so no real need for me to name anyone here, but I will take this opportunity to thank our sponsors: Winchester Australia, Rules Club Wagga, Carriage House Motor Inn, Victoria Hotel, Wagga RSL Club & McDonalds Wagga, their support gives the competitors that little something special on top of the prize money.

Thanks also to Colin Kneebone for organising the sponsorship that was on the table, Martin Smith for giving his time up over the weekend to assist in the office, David Coleman for keeping the wheel turning on the field by way of being our Shoot Marshall, the assistance of executives David O'Brien, Fred Rapley, Kim Nealon & his lovely wife Therese & Mark Rogers our new president for donating their time in the office.

Here's hoping next year's carnival won't be so wet and miserable weather wise (I'm touching wood as I say this).

BROWNING CITORI

Citori. A perfect blend of beauty and performance.

The Citori is more than a shotgun, it is the quintessential representative of the quality of the Browning brand.

RRP **\$1,995**

Wood-to-metal fit is paramount on the Citori and with tight, consistent junctions it doesn't disappoint. Action components are machined to exacting tolerances, heat-treated for greater strength and fitted using the traditional lampblack-and-file method to ensure the precise fit of critical components prior to being assembled to the action. It is this extreme level of craftsmanship that leads to the dependable function, impeccable looks, championship performance and respect from both Citori owners and the competition alike.

Lake Albert's School Day

Meningie Area School students had a blast of a day at the Lake Albert Gun Club

The Lake Albert Gun Club in Meningie (South Australia), was fortunate enough to host a group of secondary school students from the Meningie Area School, for the South Australian Clay Target Association 'Introduction to Clay Target Shooting and Firearms Safety Course' on Friday September 25.

It ended up being quite a pleasant morning with a slight breeze after an early bit of drizzle cleared away. Mal Jurgs, club committee member, and Meningie Area School's Deputy Principal had the 'in-class' sessions of the curriculum already delivered before the students arrived. As the school bus arrived and the students filed out, there was an air of excitement as they came into the Clubhouse. We made sure there were plenty of biscuits and lollies at the ready to keep the energy levels up.

Most of these students had never held a firearm before, let alone something as heavy as a shotgun. About an hour is spent in the Clubhouse – here we do a revision on what they have learned in the classroom, before a safety briefing on rules, regulations and safety protocols on the grounds. Club member Graham Harvey made quick work of showing the class what expectations are practiced in relation to firearm safety outside.

During the 'dry runs' the students were shown and learnt the correct gun mounting principles, stance, one eyed or two eyed shooting etc. They then all got to shoot at the pattern plates to make sure that they were shooting exactly where they were looking.

Once we completed another quick briefing in the Clubhouse, we all headed out to the walks to hit some targets. In single file, from the centre lane and over two layouts, they each got a few shots away before they got the hang of it and started punishing those targets.

It was an excellent group of students that had a heap of fun doing something way different during their sports lessons – and at the end we had a competition of guys against gals. Let me tell you that there were some serious 'guns' among the group as no one relented to having the others win. Special thanks must go out to Mal Jurgs from the school for assisting in the organising and delivering the school to us. We've done this a few times now and the students get a real kick out of learning and trying something like this.

Thanks also to our State Secretary Deb McPherson for spending the time on the day with the kids who are sometimes a bit timid. She works so well with them to make them feel comfortable and passes on her ability to get them hitting targets.

All in all, a great day was had by all, and everyone left with a great smile on their face. The 'Certificates of Achievement' will be passed onto the students at one of the school assemblies over the coming weeks so they all have a memento of their attendance.

*Len DeCandia,
President Lake Albert Gun Club
SA Coaching Coordinator*

2020 ACTA Rule Book

A new revised edition of the ACTA Shooting Rules will take effect from January 1st 2020.

This revised Rule Book is the culmination of many months of work following on from the July 2019 Rules Supervisors' meeting. The ACTA Executive have now ratified the proposed changes and every ACTA member will be emailed a link to the new 2020 Shooting Rules along with their emailed link to the January 2020 edition of Clay Target on December 16.

All new or altered Rules will appear in **RED** type to enable shooters to quickly recognise and comprehend the changes.

Two important changes, which shooters, handicappers and club management need

to be aware of, are in relation to scores to be recorded in the shooter's Record Card.

1. DOUBLE RISE – this is now a recordable event, see below for explanation and new Rule 1.14.

EXPLANATION:

As of Jan. 1, 2020 all shooters will be without a grade in DOUBLE RISE.

Shooters will initially shoot the first 25 pair (50 targets) under their present trap grade and will then be given a PROVISIONAL GRADE as per Rule 2.01(v). At the conclusion of another 75 pair (150) targets they will be GRADED.

As to where the DOUBLE RISE scores are recorded – the suggestion is that shooters/handicappers change either manually or by sticker or stamp, the heading on page 26 of the grading card to read "DOUBLE RISE". This will ensure a uniformity of page number for handicappers to look for and use when recording Double Rise. Alternatively if these pages are already taken up with scores, find other alternate unused pages.

Please Note: AA ELITE status does not apply to Double Rise grading, as this status was bestowed based on Trap scores off 15 metres and the 25 metre Handicap mark. This will therefore mean that AA Elite shooters will need to produce their Record Cards at shoots to have their Double Rise scores recorded.

AA ELITE shooters, who have established this status under either the Trap or Skeet disciplines need to understand that this status only applies to the discipline that they qualified in. In the alternate discipline, that is TRAP or SKEET as well as TOWER,

BALL TRAP, SPORTING and now DOUBLE RISE, Record Cards need to be presented when nominating for scores to be recorded.

RULE:

1.14 DOUBLE RISE

- (a) Double Rise shall be shot squad system and called by the referee, 1-1 or lost – 1 or 1 – lost or lost lost, whichever the case may be, each target to count one point.
- (b) A competitor must shoot at a complete pair of targets on every occasion, each target broken by the competitor's shot shall score one point. Two shots must not be fired at either target.
- (c) For initial grading refer Trap Rule 2.01(p) (i-vi).
Grades shall be: AA 92% and over; A 84% and under 92%; B 76% and under 84%; C under 76%.
- (d) A shooter may have his grade increased after shooting 100 pair (200 targets), but must shoot three (3) consecutive groups of 100 pair (200 targets) at a lower grade percentage to be down graded.
- (e) No re-grading or re-handicapping will apply until the end of the club's programme. Should a shooter shoot at another Club later on that day the new grade/handicap will take effect.

2. RECORDING OF ALL SCORES IN TRAP OTHER THAN 15 METRES –

New Rule 2.01(a)

EXPLANATION:

ALL Trap event scores shot from metreages other than those shot at Double Barrel from 15 metres will be recorded in the secondary column now used for listing Single Barrel and Continental.

However there is an exception – if 15 metre Double Barrel shoot-offs (Points Score events naturally included) are finalised from a metreage further back, then these scores will be included as shoot-off targets and

recorded in the DOUBLE BARREL column, not the secondary Single Barrel/Continental column.

RULES:

2.01 COMMON MARK AND HANDICAP SHOOTING

- (a) All appropriate 15 metre scores (competition) shall be recorded for percentage performance classification irrespective of how the event is run, **with the exception of Eye Openers (maximum of 10 targets), Double Rise, and those shot Targets Only.**
All targets shot other than 15 metre Double Barrel shall be recorded in the second column designated as Cont and SB. That includes Single Barrel, Continental, and any targets shot as single targets off oscillating traps on any metreages shot in competition. Specific Handicap events are not included.
- (h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets double barrel regrade the shooter if necessary. **Double Barrel scores will be transposed for any better scores from the other events column that have a greater percentage value, ie Continental and Single Barrel and targets shot from a different mark. If the 200 targets fall during an event or shoot-off, re-grading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets including those shot from greater metreages are to be entered into the event column and used in calculation of percentage, except the last target missed in any shoot-off will not be recorded. Once 200 or more targets have been shot at and recorded and after the substitution of any bad scores, the percentage shall be calculated.**

New South Wales Trap Carnival

This year the NSW State Executives tried quite a few new things. With the introduction of the very first Gala Dinner on the first day of competition, this gave everyone a chance to socialise in a formal setting. We had a great turn out with around 300 people in attendance.

With entertainment from Elliot Goblet and our very own member Jason Owen with his cousin Matthew Young on guitar everyone in attendance was entertained for many hours. The food was great, the atmosphere spectacular.

A new program of order in which the carnival was run was also trialled and appeared to run quite well considering the numbers we had for the weekend. We had over 330 shooters attend over the 4 day shoot which is quite impressive considering the decline in numbers over the last few years.

It helped that the weather gods looked down upon us and gave us a glorious weekend of sunshine, although I'm sure the shooters in the Double Barrel Shoot off on Sunday afternoon would disagree, the wind had picked up quite sever at this stage (But at least it wasn't raining).

I would like to thank all of our sponsors: Winchester Australia, Perazzi, J & A Geotech Testing Pty Ltd, Clay & Hunt/Zoli Competition, Beretta Australia, Victoria Hotel, Hunts Shooting Supplies, Farmers Home Hotel, Rules Club Wagga Wagga, McDonalds, Bronzewing Ammunition/Laporte, Casella Wines & Camilleri Custom Stocks.

Also thanks go out to our executives that spared their time over the weekend assisting with the smooth running of the carnival on both an administration and on the field capacity.

Therese Nealon needs a huge pat on the back for her assistance with the Gala Dinner and help in the office over the entire carnival.

RESULTS:

Event 1 NSW Champion of Champions Championship sponsored by Winchester

2019 NSWCTA Gala Dinner

This year at the NSW State Trap Carnival saw the introduction of Semi-Formal NSW Gala Dinner. It was held on the Friday night (4th October 2019) of our NSW Trap Carnival in the well-recognised ACTA's The Range Function Centre. With around 300 people in attendance it was a main event of the weekend.

With entertainment from the X-Factors Jason Owen (and fellow Shooter) accompanied by his guitarist cousin Matthew Young & Jack Levi aka Elliot Goblet everyone was either in stitches or enjoying the delightful music whilst they munched away on their two-course meal provided by Wagga Catering Services.

Early in the evening made way for the formal presen-

Fred & Mary Rapley – Life Members of the NSWCTA in 2019

Frank Auditore was presented with the 2019 NSWCTA Presidents Medal

Tony Arvanitakis was inducted into the NSW State Hall of Fame for 2019

tations of Fred & Mary Rapley as Life Members of the NSWCTA, Frank Auditore was presented with the NSW Presidential Medal and Tony Arvanitakis inducted into the NSW DTL Hall of Fame.

I would like to thank Jason Owen for donating his time to come and perform for us. Don't forget to check out his new single "Undefeatable" that was released in October.

Thank you to Therese Nealon for assistance, Colin Kneebone for dealing with the caterers, Sue Vesperman for her help on the day with the technical side of things.

A few things will need to change for next year, however at this stage the Gala Dinner was a big enough success and well welcomed by the shooters that it will make a re-appearance.

Jason Owen & Matthew Young

A Fun November Shoot at Bega

The highlight feature of the November shoot at Bega Gun Club was the final round of the Fimac Engineering Handicap Shield. Sponsored by our President Shane Platts four rounds of twenty-five targets are shot throughout the year with the winner being announced at the December Christmas shoot. The trophy is one of the most sort after on our club's calendar.

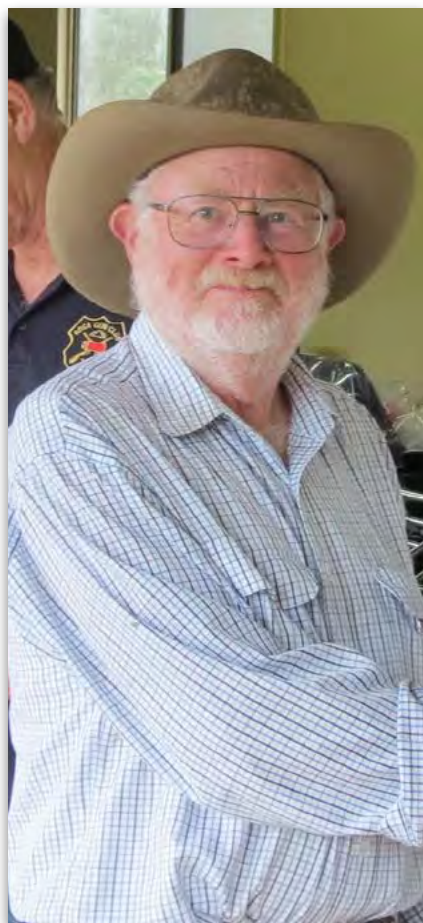

In 2020, the format will change to a 100 target event as part of the Club's program re-arrangements, with a significant upgrade to the already handy prizes on offer.

Clouds and a chance of rain greeted the twenty-four participants who attended with the program opening with fifty targets double barrel point score.

Regular Cooma visitor, Steve McIntyre took out AA Grade after he and Charlie Smith finished the main round with 144/150, Steve winning the shoot

off 177/183 to Charlie's 176/183. Craig Field was successful in A Grade, with a score of 142/150. Shane Platts took second with a score of 139/150. Mark Evans comfortably cleaned up the combined B/C Grade with a fine score of 143/150, with the ever consistent Bert Deacon in second, 135/150.

The final Fimac round saw A Grader, Rodney Bresnan drop only one target off his 21 metre mark to win, 24/25. AA

Steve McIntyre – Shoot High Gun, winner AA Grade 50T DB PS, winner AA 25T DB Continental

AA Grader Charlie Smith – 2nd 50T DB PS, 2nd round 4 Fimac

Grader, Charlie Smith, shooting off 24m took second place with a score of 23/25 whilst A Grader, James Body collected third place with a score of 34/37 from his 20 metre mark, following a shoot-off with Tom Peadon, Steve McIntyre and John Siede.

The final event dished up on the day's program was a 25T Continental. Steve McIntyre and Peter Simon took an extra two targets to sort AA Grade with Steve

A Grade Craig Field after winning 50T DB Points Score with Alf Niesar

A Classic Mark Evans – winner B Grade 50T DB Points Score, 2nd 25T Continental

"The old and the new" Vet. John Siede and younger person James Body after the shoot off for third in the Fimac Shield

Bert Deacon 2nd B/C Grade 50T DB Points Score

Round Four winners – Fimac Engineering Handicap Shield with Shield sponsor Shane Platts L-R Rodney Bresnan 1st, James Body 3rd, Shane Platts, Charlie Smith 2nd

winning 26/27, after both finished the main course on 24/25. Ray Welch cleaned up A Grade with a fine score of 24/25. James Body, John Gray and Rodney Bresnan took three extra targets to decide second with James successful 26/28.

B/C grade proved entertaining, with Bert Deacon, Mark Evans and John Walker finishing on 23/25.

Bert graciously retired first to leave the young blokes playing. Mark missed midway through, giving John the opening. He promptly missed as well. Finally after twenty-two extra targets, Mark missed and John didn't, to win 44/47.

High Gun for the shoot went to Steve McIntyre, 190/200 and Peter Simon took his turn to look after the treasurer's blood pressure, taking home the meat tray rather than the shoot raffle money.

Next month is the annual Christmas shoot with the High Gun invitational being the only semi-serious event of the day. Hope to see you there.

*John Walker – winner B Grade
25T Continental*

*Raffle winner Peter Simon –
all smiles*

Affordable, Quality

This policy has proved to be of great

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**.

For an additional **\$10.00** fee any eligible member will be able to increase the Insurance coverage to **\$25,000**.

This insurance represents a significant saving on insurance for firearms and accessories.

The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now.

Covering member's firearms, and/or associated equipment whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas coverage for 21 days per year.

• DEFINITIONS APPLYING TO THIS POLICY

Firearms & accessories means legal firearms owned by members of the named Association/Club, including any accessories or carrying cases.

Loss means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or entity the equipment has been entrusted to, has breached any law relating to either the storage or use of the firearm(s.)

Comments

This insurance is designed to protect each financial member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member.

The policy has an excess of \$50 each for every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

The full policy document is available on the ACTA website with all other insurance documents.

For an additional \$10.00 fee any eligible member will be able to increase the insurance coverage to \$25,000.

**To take up this increased cover option you must call:
MARSH ADVANTAGE INSURANCE PTY LTD**

Firearm Insurance

value and is now in its third year

- **\$12,000.00 cover FREE included with your membership**
- **\$10.00 extra lets you have a \$25,000.00 cover**
- **365 days of the year in Australia & New Zealand plus 21 days overseas in any one year**
- **Covers firearms & accessories**

- **Claim excess only \$50 per claim**
- **Claims to be lodged through the ACTA office**
- **Potentially saves on home & contents based firearm insurance**
- **Available only to ACTA members**

Psychological Skills for Shooting

by Michael Kruger-Davis

The SP: an effective and reliable way to resolve eye dominance issues

Over the years I have been involved with teaching new shooters how to shoot. I have been involved with the National Junior Development squads and squads from the Southern, Western and Hunter Sports academies. One issue that often arises and has been difficult to resolve is eye dominance or cross dominance problems.

A simple definition of cross dominance is when a right-handed shooter has a dominant left eye. A right-handed shooter should align the barrels with their right eye, and the opposite for a left-handed shooter. For a right-handed shooter with a dominant left eye they will often see two barrels or that the barrel they see just doesn't line up.

Eye dominance is not always stable and can change from day to day and can even change throughout a long hard day due to strain and fatigue. We have no control over which eye the brain chooses to use. The only way we can be absolutely sure is to close the eye we do not want to use but then we lose depth and speed perception. Central Vision where both eyes are equally as strong or dominant can also be an issue.

There have been a number of techniques that shooters have used to alleviate this problem, or shutting off the cross dominant eye. These measures have involved eye covers or stick on spots, that cloud the vision of the dominant eye making the brain use the clearer non dominant eye. This also allows the shooter to still have access to their peripheral vision. Shooters have also installed hi-viz beads that have a tube in front of them that only lets you see the bead if you have the gun aligned. Another method is a small piece of angle plate that sits on the barrel in front of the bead that stops the dominant eye from seeing the bead. The final approach has been to get the shooter to squint or shut one eye. For those shooters who do not have cross dominance issues, know how important it is to shoot with both eyes open and to not look at the bead.

I have been supporting a number of shooters

recently who all have cross dominance problems and have difficulties getting them to open both eyes especially when shooting sporting clays. When the July issue of the UK magazine *Clay Shooting*, arrived I saw an article reviewing **the SP**, which is a simple and innovative device designed to resolve cross dominance issues. I immediately digested the article and the website www.shootsp.co.uk and then fired off an email to Steve Randles who developed **the SP** and organised some samples to try.

The SP is a small black bud like form that is fixed to the right-hand side of the top barrel or the side rib for a right handed, left eye dominant shooter. **SP** stands for **Shot Paraboloid**, which is a three dimensional (3D) ellipse. When the gun is mounted, the cross dominant shooter will still see two barrels but only right eye can see **the SP**. **The SP** is shielded from view of the left eye. This means that the brain registers which barrel is the 'correct' one and the shooter then calls to release the clay and if they keep both eyes open the brain will subconsciously recognise the barrel with **the SP** and the shooter can shoot the target like shooters without cross dominant problems.

What is **the SP** and how does **the SP** work?

The Shootsp website explains '*The SP is a discreet innovation fitted to the barrel of your gun that will revolutionise your shooting. The SP is a simple profile that maintains a constant stimulant to your eye – it works in your peripheral vision and not as a sight but as a trigger effectively controlling which eye is used to give your brain information. The SP is visible to only one eye and this eye will be used subconsciously by your brain to*

see the shot picture. This will override your normal dominance allowing you to shoot as if naturally dominant in the eye over the rib. The gap you will see to the target will be from the eye over the rib, giving you consistency and confidence on every shot.'

The sentence above; "**The SP** is a simple profile that maintains a constant stimulant to your eye – it works in your peripheral vision and not as a sight but as a trigger effectively controlling which eye is used to give your brain information" is essential in understanding how **the SP** works. The brain registers the stimulus but it is vital that the shooter looks at the target and only the target. **The SP** works in the subconscious background of your brain.

After some practice, your brain is trained to look for **the SP** subconsciously and automatically realises which is the correct barrel and you can shoot the target with both eyes open. The website explains that "**The SP** is a stimulant that makes the brain sees that one barrel becomes unique and hence allowing the correct barrel to be identified in your peripheral vision subconsciously. The science is as simple as giving your eye something to see subconsciously and this will create a reaction." And the "reaction" is to shoot with both eyes open.

I gave **the SPs** to shooters who I know have cross dominance issues. One shooter, started shooting DTL with both eyes open while using **the SP** and has been shooting very respectable scores and recently won a hard-fought handicap shoot after a shoot off with several other shooters. She has also been shooting 5 stand sporting and Field and Game, where she posted personal bests and won the 100T handicap at the Field and Game shoot. The

shooter is now shooting all targets with both eyes open and recently left the following message on my voicemail.

"Michael, I just want to say **that SP** has totally changed my life. I can't believe the way I am seeing targets now with both eyes open and I'm just blown away. Thank you for getting this, you have totally changed my whole shooting life."

Another shooter has only been shooting for less than a year and has been shooting at C grade standard. After using **the SP**, he started shooting A and AA grade scores and at a shoot recently said he couldn't believe how much better he is shooting now that he is using both eyes. He even said that those who shoot with both eyes open have a distinct advantage over those who cannot.

Because **the SP** works at a subconscious level it is difficult to explain in simple terms exactly how it works. But it does work. I have seen the shooters I have been training improve their scores in trap, skeet and sporting. They are enjoying their shooting much more and each week appear to be improving and reaching personal bests. It also appears that the shooter is shooting the targets faster but this is most likely due to better target acquisition because the peripheral vision is now working the way it should.

The take home message is that if you have cross dominance issues try **the SP**. Let it work subconsciously, behind the scenes so to speak, keep both eyes open and look at the target. Once you have mounted the gun ignore **the SP** just as you would ignore the bead at the end of your barrels. Look at the target and shoot it.

If you have an issue with cross dominance then I strongly recommend you try **the SP**. Go to **the SP** website, www.shootsp.co.uk to look at the research, testimonies and questions and answers.

The SP can be sourced in Australia through Hunts Shooting Supplies. Contact Michael (0429 453 429) or Kay (0428 453 425) or kayhunt@bigpond.com

39th Australasian Police and Services Clay Target Championships

26TH TO 29TH SEPTEMBER 2019

The first Australian Police Clay Target Championships were conducted in 1981 at Bendigo by the then newly formed Loddon District Police Trap Club. The inaugural Championships were a 1 day event with 115 shooters attending. In September this year the Championships were again hosted by the Loddon District Police Trap Club in Bendigo, the 39th staging of the Championships and unbelievably, 116 competitors took part. The championships were the concept of Glenn Woodhatch and with the help of Brian Mark of Winchester, became a reality. This year Glenn was still manning the office and just as enthusiastic as ever in the successful staging of the event.

Over the years the event has grown to be the Australasian Championships with New Zealand joining in 1985 and now we include all Services, hence Australasian Police and Services Clay Target Championships and instead of a 1 day event, it is now a 4 day event. Competitors attended from Queensland, New South Wales, Victoria, Tasmania, South Australia, New Zealand as well as representatives of the Federal Police. The Championships are divided into 2 groups – Police and Services Section and Civilian Section.

Day 1 of the program saw the Skeet Championship

Skeet Teams event: Kev Raymond, Ric Matthers & Danny Forster

Colin Anderson refereeing the skeet with Philippa Cary shooting

and with 16 squads taking part, it was a full day. A pleasing feature of this event is the number of Police and Services members who normally do not shoot skeet, but opt to compete in this event each year. At the end of the day it was Dean Baird from Queensland at the top of the Police and Services with a great 49/50 closely followed by Kev Raymond, NSW on 48/50. In the Civilian Section a score of 46/50 gave Max Oakley the sash. In the Teams event shot in conjunction it was NSW who were triumphant with a score of 137/150 – Kev Raymond, Ric Mathers and Danny Forster. So to bed – well perhaps not quite for some – to dream of better shooting on day 2.

Brett Williams, Overall winner of the Single Barrel, Police & Services Division with Bob Dean representing sponsor, Kirkland Lake Gold

Peter Kenyon, Overall winner of the Double Barrel, Police & Services Division

Glenn Durre, Police & Services Single Barrel 2nd AA grade

On deck early for the second day's first event – the Single Barrel. At the completion of qualifying a 49/50 gave Brett Williams from Victoria the Police and Services title. In the Civilian section Carl Comensoli emerged the winner with a score of 64/67 from Keith Willett 63/67. The second event on day 2 was the Handicap. In the Police and Services section Paul Barnard, Queensland shot of 49/50 to receive a metre and the title, from New Zealand's Blue Freeman 50/53. Jaimyn Whitehand won the Civilian Section with an impressive 50/50.

Shooters were just as keen on Day 3 as they were at the beginning of proceedings. First

Left: Police & Services Handicap winner Paul Barnard

up – 50 Targets Double Barrel and the blue ribbon Trap Team title shot in conjunction. Since the inception of the Championships in 1981 this is the most sought after title of the Championships. At the end of qualification we had a clear winner in the Police and Services, Peter Kenyon with a clean 50/50. This was the beginning of Peter's run for the High Gun. In the Civilians it was back out for a shoot-off to

Paul Barnard, Double Barrel grade winner Police & Services Division with Glenn Woodhatch

determine the winner. After 15 targets the title was Les Comensoli's 65/65. In the very even team event the DEWLP team from Victoria came out on top after 2 rounds in a shoot off. Congratulations to "Happy" Lanyon, "Dingo" Pratt and Geoff McClure on taking home this sought after trophy with a score of 230/240.

It was then to the Points Score and in each division

Continued next page

39th Australasian Police and Services Clay Target Championships

Continued from page 41

we had shooters shoot the possible 150/150. Wal Durre (Queensland) showed there was plenty of life in the old fox. Wal has been attending these Championships since they began and it was great to see him win. In the Civilian section, Jason Trotter showed how it should be done. Great shooting by these two. It was then time for all to enjoy a BBQ tea put on by the Bendigo Club.

Matt Appleby, Overall winner in the Champion of Champions Civilian Division

The final day again produced excellent scores in the Champion of Champions shot off 18m. Matt Appleby, a great supporter of the Loddon District Club scored a great win in the Civilians on 94/100. Matt shot in the 1st squad of the day and had all chasing him without success. In the Police and Services Peter Kenyon again put the foot down to win with 95/100.

International Police & Services Team: Noel Cleal, Peter Kenyon, Glenn Durre & Peter Beamsn, Allan Vilcins absent

An International Police and Services Team is selected over the Single Barrel, Double Barrel and Points score events and the 5 top shooters this year were Glen Durre 246/250, Peter Kenyon 242/250, Noel Cleal 242/250, Allan Vilcins 241/250 and after a shoot-off, Peter Beaman on 258/270.

In the Police and Services Peter Kenyon won both High Guns on offer. He shot 378/400 in the Trap High Gun and in the Woodhatch High Gun (over all events contested) he had a score of 426/400. Peter was successful in both these events last year,

Peter Kenyon, winner of both High Guns on offer

so everyone should now be practicing for next year to see if we can unseat him. The Civilian High Gun went to Carl Comensoli on 376/400. Glen Durre completed a great Carnival winning the Veterans High Gun on 373/400. The winner of the ladies was consistent shooter Jennifer Cleal 353/400. The Junior High Gun went to Lachlan Heaysman on 373/400.

Philippa Cary, a new shooter from Queensland thoroughly enjoyed herself to the extent of being presented with the "LP" trophy. This award is such that often it is not awarded as no one attending meets

Philippa Cary – LP trophy winner with Brian Murison & Andrew Norman

thanks to Glenn Woodhatch, Peter Beaman, Colin Anderson, Mel Treller and Frank Auditore's Shootmaster Program. Outside on the tracks we had Matt Appleby, Darren Knight and Peter Akkermans ensuring traps were filled and the squads were kept backed up. Right throughout the shoot the Gemini Traps worked flawlessly and the Green Dream Targets flew true.

No carnival of this size can run and be successful without sponsors. Our unqualified thanks go to Winchester Australia, Beretta Australia, Lokaway Safes, South Australian Police Clay Target Club, Federal Police Clay Target Club, Kirkland Lake Gold, Queensland Police Clay Target Club and New South Wales Police Clay Target Club.

To those I have missed, I apologise, as your help was as important as the persons I have named.

Now to Wagga Wagga for the 2020 Championships to be held from the 22nd to the 25th October. If you have never attended one of these most friendly championships I suggest you come to Wagga. For those attending it is all about catching up with great friends once a year.

the guidelines set to achieve it. Well done Philippa. The successful running of these Championships was due to the band of volunteers from the Loddon District Police Trap Club and the Bendigo Clay Target Club. The canteen kept everyone well fed and watered during the Carnival and particular thanks must go to Joy Bird, Jan Woodhatch, Rod Walton and Alan Morrison. The Office worked without a hiccup

Sorting out the shooting order & discussing tactics

NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS

CONDITIONS OF ENTRY

1. Any shooter who wishes to compete in the "2020 ISSF Nationals" must be a registered member of the ACTA for the financial year 2020, or a bonified International competitor.
2. Every registered ACTA competitor must provide their current record card, they must also provide their previous record card if requested by the Tournament Handicapper. Bonified International competitors will be graded "AA".
3. In the event of any ACTA competitor not being able to produce their record card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Tournament Handicapper to ensure their scores are recorded correctly. **Note:** A fee of \$20 will be charged for the issue of any duplicate record card and no prizes issued until.
4. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for ISSF Trap and Skeet with squads of 6 shooters where possible.
5. Entry is by Pre-Nominations only, to be received by close of business (Eastern Summer Time) Friday 3rd January 2020.
6. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Technical Director. Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Refunds will only be issued if withdrawals are notified in writing 48 hours prior to the event to accounts@claytarget.com.au refunds will be processed within 30 days of completion of the event and will incur and administration fee.
7. Each competitor must take enough cartridges to complete the applicable round.
8. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS.**
9. All competitors must sign the score sheet after each round prior to leaving the tracks. Once a competitor has signed the score sheet, the score is accepted. Any score sheet not signed by a competitor will be credited as per the score sheet.
10. Any competitor may be called upon to referee and/or score throughout the competition. All persons designated to referee/score must fulfil their obligation to do so or obtain the service of a suitable replacement to take their place at the required time. In the event that the designated person or their replacement does not fulfil their obligation the original person designated to fill the specific role will **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES.**
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are explicitly prohibited from entering the trap pits or trap houses after the jury has examined and approved the trap settings.
12. The setting of targets will be conducted under the control of the Tournaments Technical Director prior to the start of the events each day. No further adjustments will be made to traps without authorization from the Technical Director.
13. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
14. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
15. High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors combined in each discipline.
16. Junior competitors are eligible for OA or their grade where applicable. Veteran competitors are eligible for OA or their grade where applicable.
17. Pre-nominations will only be accepted online on the form provided at www.claytarget.com.au
18. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
19. Juniors must be under the age of 21 in the year of competition. Veterans to be over the age of 55 prior to January 1st 2020.
20. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
21. The standard of dress required for all competitors is that defined in the ACTA Clothing Rules.
22. **All competitors must comply with the Firearms Licensing Laws of the State where the National Championships are being conducted. (When held in W.A. a shooter must obtain a permit to bring a firearm into that State).**
23. Free junior nominations are open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at the time of nomination and will not be refunded retrospectively.
24. The sport of Clay Target Shooting is an outdoor sport with some risk, the ACTA through its rules minimises that risk. Competitors indemnify the ACTA in respect of all actions, claims, proceedings, losses, costs, expenses and damages which the competitor may suffer from participating.

CLAY TARGET CONTRIBUTORS PLEASE NOTE ADVERTISEMENTS

Advertisements may be supplied as a completely finished PDF or as a Word document with illustrations, photos and logos either included in format or attached as separate files. When illustrations are included as part of the document they should be imported into your document as high resolution images. When supplying a PDF ensure that the PDF is exported as an ADOBE INTERACTIVE PDF with the IMAGE HANDLING set to: COMPRESSION – JPEG (Lossy), JPEG QUALITY – High and RESOLUTION – 144. PDF files should be supplied to the exact finished size that you require.

CLAY TARGET is now produced as a standard A4 document (297mm deep x 210mm wide). If you require your full page advertisement to bleed off the page, you will need to allow an additional 5mm to the top, bottom and both sides of your finished file, and make sure that any content fits well within the actual page size. Advert sizes are as set out below.

EDITORIAL

All editorial should be supplied as a Word document. Photos should be supplied as separate files, not as part of the Word document.

Photos need to be supplied as off-camera images (not reduced in either size or quality). This may mean that they will need to be emailed in several batches to ensure that they are sent within the limited upload/download range of the email protocols (both your own and the ACTA). Only photos that conform to ACTA quality standards will be used in future publications. Captions should not be imprinted over photos, but should be supplied separately, clearly identifying which photo they relate to.

AUSTRALIAN MASTERS GAMES

The 17th Australian Masters Games took up residency in Adelaide for 2019. Clay Target shooters from all over Australia convened at our State Shooting Park complex during the 3 days of competitions over Tuesday, Wednesday & Thursday the 8th, 9th & 10th of October.

The days leading up to the Carnival, saw ICTC President Dino Olivero and his staff ensuring that all critical tasks at hand on the grounds were completed in readiness for the games to begin. Many thanks have to go out to these guys who, with their 'can do' attitude, spent so much time before, during and after, to make everyone's visit friendly and trouble free. Hall of Fame member Dennis Lymn was our 'flag bearer' at the Adelaide Convention Centre during the opening ceremony.

Thanks also have to go to Bronte Evans and wife Tania together with Deb McPherson for their contribution to target setting, shoot marshalling, data entry and presentations, to effectively help everything run seamlessly over the Carnival. These guys are the backbone of all the 'behind the scenes' work and are instrumental in making sure that all competitors, had a great Carnival and leave happy.

A few caravanners and campers started arriving a

Flags of all the States represented

day or two before the games and getting some practice on the unfamiliar grounds to hopefully get a bit of an edge over other competitors. Temperatures hovered around the mid – low teen's for the 3 days with clear skies but high breezes making for tricky shooting conditions.

Having said all this, the program for the 3 days gave everyone a good mix of disciplines over 6 events. The competition started on day 1 with 50 targets of Trench followed by 25 pair Double Rise. Day 2 saw

Medals galore on the presentation table

Contemplating the meaning of life!

us taking on 50 targets of Skeet and 50 targets of Double Barrel, and on the final day, 50 Single Barrel & 50 Points Score.

The unique 'round' medals were glistering on the presentation table, after all had gone quiet outside and people started moving inside to check out the scoreboard and see how they had fared up. The medals were presented in 'age' categories rather than grades with a Bronze, Silver & Gold in each age group (30-39, 40-49 etc. up to 80+).

All in all, a great representation of participants of all ages from all over the country. The games and presentations finished in good time and there wasn't a bad comment to be heard anywhere.

We would like to extend our thanks to all the competitors that travelled extensive distances to participate which in turn ensured Adelaide held a successful 17th Australian Masters Games. To check all the winners results, take a trip to:

<https://www.australianmastersgames.com/extra.asp?ID=8846>

For all the photo's, take a trip to: <https://www.facebook.com/asclaytargetassociation/>
See you all in 2 years in Tasmania.

Len DeCandia – Chair – SACTA Promotions Committee.

The ladies having fun at the Games

L-R Hall of Fame 'Flag Bearer' Dennis Lymn, ICTC Assistant Phil Baldock, our oldest competitor Max Leaford (80+ age group) and Des Neale from Esperance WA

Club History & Personalities

Jeparit Gun Club

Jeparit is a small town on the Wimmera River in Western Victoria, 370 kilometres north west of Melbourne. Its most notable claim is that it is the birthplace of Sir Robert Menzies, Prime Minister of Australia from 1939-1941 and 1949-1966, but did you know that in October 1979 it hosted the Victorian State DTL Carnival. At this time the population was just over 600 but as of the 2016 census, it was down to 477. The background photo shows the club grounds as they are today, having changed very little in the ensuing years since the State Carnival.

To hold a State DTL Carnival in 1979 the club needed a minimum of 4 layouts and each year in rotation each Victorian Zone was given the opportunity to run this prestigious event.

Jeparit is now the home club of the Hawker Family – Wayne, Lisa, Zoe and Kane but it was also the home club of June and Jim Gawith who are still actively involved with the club.

Jim was the Victorian North West Zone President for some years and also served on the VCTA Council during that time. June became the inaugural winner of the ACTA National Ladies Double Barrel in 1981 which was shot at the Melbourne Gun Club, shooting a score of 51/53. The National Ladies Double Barrel Perpetual Cup appropriately acknowledges this as the June Gawith Trophy.

At the time of the Carnival the town had virtually no shopping centre but one operating pub and I can remember spending time there over the weekend enjoying the company and listening to

the bush yarns spun by the legendary shooter/character and story teller Frank James.

This year on October 13th the North West Zone held one of their meetings at the club, followed by a shoot where I met up with June and Jim after many years and where I found them still busy catering for the shooters at the club.

To the right you will see a couple of extracts from the 1979 story, where you will notice the names of shooters who are still in the winners' circle today, some 40 years later. There are other photographs from the story over the page along with a report on the recent shoot.

If you are interested in reading the entire story you can find it in the ACTA archives of Clay Target Shooting News pages 24 – 26, December 1979.

June & Jim Gawith, busy but unknowingly photographed working in the club canteen area providing lunch & afternoon tea for the shooters

74/90. Deserie Wakefield, Mildura was second 73/90 and Helen Flavel, Jeparit was third 72/90. After this event, the State teams were selected to represent Victoria and consisted of the following shooters:- Graham Willett, Seymour, Stan Collins, Bairnsdale, Bob Cartledge, Sebastopol, Frank James, Kerang, Jon Whittaker, Echuca, Bill Iles, Metropolitan, Brian Mark, Sebastopol, John Green, Korumburra, Colin Reid, Kerang, Jim Shepherd, Maryborough, Ken Lowry, Melbourne, Peter Edmonson, Sebastopol, Allan Isaac, Melbourne, Ron Newell, Warracknabeal and Bruce Papst, Horsham. Stan Collins shot 145/150 to take out team High Gun in State Teams Match. Ladies team consisted of Karen Rath, Melbourne, Deserie Wakefield, Mildura, Helen Flavel, Jeparit, June Gawith Jeparit and Leanne Sauer, Mildura.

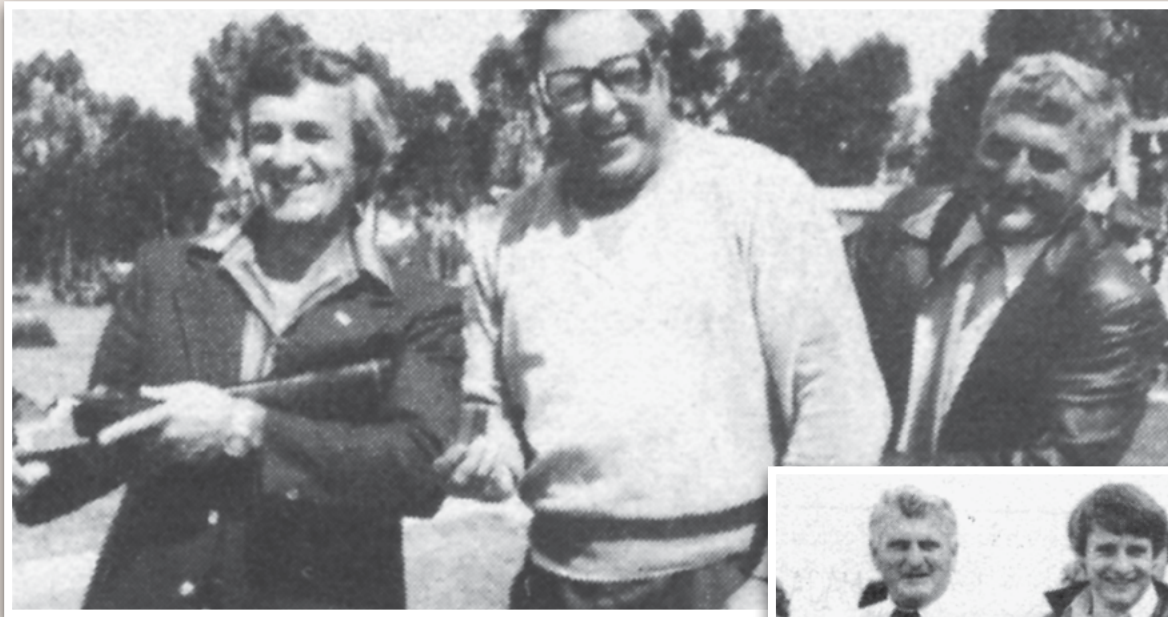

Ladies team High Gun went to June Gawith, Jeparit 67/75. 113 shooters entered the Carnival Double Rise Championship and Ken Lowry, Melbourne shot the possible 20/20 to win "A" Grade and overall, Deserie Wakefield, Mildura was second 19/20 and Graham Leech, Maryborough 22/24 was third. "B" Grade first went to Roger Duthee, Hamilton 19/20, Russell Mark 18/22 second and A. O'Connell, Maryborough, 23/30 third. "C" Grade first went to Helen Flavel, Jeparit 16/20, Stan Joseph, Jeparit 15/20 was second and Les Corbett, Horsham 15/22 was third. Deserie Wakefield, Mildura won the ladies trophy, Helen Flavel, Jeparit was second and Leanne Sauer, Mildura 12/20 was third. Best junior went to Russell Mark, Sebastopol 17/20. Steve Hounsell, Jeparit, 15/20 was second and Paul Blackley, Horsham 14/20 third. Jack Harker, Cosgrove shot 15/20 to win the veterans trophy, Mark Edgar Korumburra was second 14/20

Russell Mark, Sebastopol was best junior scoring 29/30, Steve Hounsell, Jeparit 27/30 came second with Paul Blakely, Horsham 26/31 third. The last event on the program, the Carnival Points Score Championship saw Alf James from Maryborough again come out the victor shooting 240/240 to win "A" grade and overall with Neil Berry, Shepparton 239/240 second and the State President, Bob Buchan, Melbourne putting in a late run to collect third trophy with 92/93. "B" grade first went to Roger Gordon, Morwell 71/72, Robby Porte, Horsham 70/72 second and Don Kennedy, Apsley 68/72 third.

"C" grade Wayne Dupuy, Melbourne 63/66 first, Dennis Whitney, Jeparit 57/60 second and Chris Vandenberg, Corio 56/60 third. Best junior was collected by Wayne Dupuy, Melbourne 60/60, Chris Vandenberg, Corio 89/93 was second and Russell Mark, Sebastopol 86/93 was third. Jack Harker from Cosgrove won himself another Veterans trophy shooting 56/56, Mark Edgar Korumburra 55/60 was second and Laurie Ey, Hopetoun 51/63 third. Mrs Thelma Meadows from Queensland was again top lady shooter with 56/60, Marget Pitt, Jeparit 54/50 was second and Iris McKay, Metropolitan 53/50 was third. A club teams match was run in conjunction with Association P/S Championship. Maryborough, one of the top clubs in the North West Zone won the event and its team consisted of Brian Rafferty, Alf James, Peter Tate, Jim Shepherd and Frank James. The total score was 287/300. Graham Willett from Seymour proved what a good shot he is by winning the Carnival High Gun with a score of 145/150 and the Tournament High Gun with a score 231/250, a great effort. The ladies High Gun went to Karen Rath from Melbourne

night in their newly erected club rooms. It was a great show with
ever popular Brian Mark entertaining along with Bob Lemke from Ballarat
who entertained with a song".*

OCTOBER 2019 – CLUB CHAMPION OF CHAMPIONS

The shoot got underway in extremely windy conditions shortly after the Zone meeting. The 90 target Champion of Champions witnessed targets that seemed to have a mind of their own, with little flight consistency due to the wind. However some shooters still managed good scores in these trying conditions.

During the year the club conducts some events where shooters are given "targets added" according to grade. C graders in this instance were given 12 points, B grade shooters 8 points and A grade received a 4 point advantage over AA off scratch. This allows for lesser grade shooters to sometimes win the day's High Gun.

At the conclusion shooter Russell Black won the A Grade and Overall with a corrected score of 147/150. AA Grade went to Wimmera legend Roger Lehman on 145/150. B Grade was won by Kane Hawker 131/150 and C Grade went to Paul Phillips 115/150.

Second place in grades went to Wayne Harker AA, Mark Newcombe A, Neil Box & Ron Hounsell shared B and Cass Comensoli & Bruce Papst shared C grade.

2019 CRAYFISH CARNIVAL

This year the 2019 Cray Fish Carnival saw 160 shooters from all around Australia, contest in over 8 events in a jam packed 3 days. This year we saw new faces and also saw many returning faces, to Geraldton. Many stories where shared, jokes told and laughter was had. But when the traps where set, guns were ready and layouts full, "game faces" where on as all stood quietly patiently waiting as the event kicked off.

We started the weekend off with Event 1 30 Target Points Score Championship on Friday at 12:30pm. Congratulations to the winners. Overall Joe Camilleri, AA Rob Hunter, A Bruce Hooper, B David Richter, C Stuart Kirkham, Junior Jack Hunter, Ladies Sandra Moffatt, Veteran Martin Matilka.

Event 2 50 Target Double Barrel Championship, shortly followed. Congratulations to the winners. Overall Joe Taylor, AA Jason Oliveri, A Bruce Hooper, B Ian Thompson, C Tahlia Marshall, Junior Jack Hunter, Ladies Kay Hunt, Veteran Gary Kelly.

Guns where racked and hats where taken off as day

1 came to an end. Majority of the shooters returned to their camps and got changed as the good old Geraldton wind had kicked in. Many returned with smiles and ready to sit back and relax and enjoy the efforts put in for day 1.

Day 2 Saturday, saw Event 3 beginning at 8:30am with 30 Target Points Score Championship. Congratulations to the winners. Overall Clinton Parker, AA Joe Taylor, A Craig Hildred, B Greg Nairn, C Jack Burmester, Junior William Freni-Lizzi, Ladies Kay Hunt, Veteran Mauri Urquhart.

We then saw the start of Event 4 30 Target Single Barrel Championship, many were seated to enjoy the Ladies famous seafood chowder as others set up for the start. Congratulations to the winners. Overall Santo Tizzone, AA Jack Hunter, A Gary Scott, B Linden Cowley, C Jack Burmester, Junior William Freni-Lizzi, Ladies Liz Pederick, Veteran Glenn Mcallister.

Final event for the day, Event 5 50 Target Double Barrel Championship. Congratulations to the winners. Overall Mitchell Wooding, AA Santo Tizzone,

Friday Points Score winners

A Martin Smith, B Paul Camerer, C Liz Schroeter, Junior Jack Hunter, Ladies Sandra Moffatt, Veteran Gary Kelly.

Sunday morning saw Event 6 45 Target Medley Championship. Congratulations to the winners. Overall Alex Dallas, AA Allan Jones, A Vince Lizzi, B Robyn Jackson, C Peter McGowan, Junior William Freni-Lizzi, Ladies Sandra Moffatt, Veteran Gary Kelly.

Event 7 30 Target ACTA Handicap. Congratulations

to the winners. 1st Kim Nealon, 2nd Ian Marshall, 3rd Gary Smith, 4th Neil Suckling, 5th Paul Camerer, 6th Richard Woolcock.

Event 8 30T Calcutta Graded Meterage. Congratulations to the winners. Overall Steven Caltabiano, AA Wayne Hawker, A Stanley Kurkiewicz, B Robin Bailey, C Rocco Priolo, Junior William Freni-Lizzi, Ladies Sandra Moffatt, Veteran Gary Scott.

A huge congratulations to all shooters who competed

Double Barrel winners

Saturday Points Score winners

Single Barrel winners

throughout the weekend. On behalf of the Geraldton Clay Target Club I would like to congratulate the High Gun winners: Overall Joe Taylor, AA Alex Dallas, A Martin Smith, B Linden Cowley, C Liz Schroeter, Ladies Sandra Moffatt, Veteran Gary Kelly, Junior William Freni-Lizzi.

Special mention to Justin Pirrottina the 2019 Geraldton Clay Target Club Vice President on receiving life membership.

Above: High Gun winners

Handicap placegetters

Great couple of days at Kempsey

On 19 & 20 October 2019, Kempsey hosted its annual two-day shoot. Shooters from near and not so near attended to enjoy 205 targets over the two days with beautiful weather on the first day, a cooler and slightly windy day for day two, not good when you have a continental event. The club would not have been able to host such a great weekend without the sponsorship of local business, DGI Trading, Mavin Truck Centre, Barnett's Bakery, Thurgood Haulage, Kempsey Stock & Land, Valley Butchery, SWR Tyrepower as well as local shooters Barry, Robert and Jenny 'kicking the tin'.

Six events were held over the weekend with a 25T PS cash prize opening the first day. Shooters sharing the rewards of the event. We then held a 25T DB Handicap with 1st place going to visiting shooter, Kevin Thompson, after a short shoot-off, followed by Rob Marko, Greg 'Watto' Watson, Ben Tyson and Megan Wilkins with placings from 2nd to 5th.

William Saul, DB

The third event on the day was a 50T DB Championship. Once again, a shoot-off was required to find our overall winner, with local William Saul taking out the event with 82/82 over Kevin Thompson with 81/82. Kevin thus took out 1st place in AA Grade, Phil Baker taking out 2nd with 56/57. Other grade results were A Grade, John Lisle 60/61, Rob Marko 59/61, B Grade Tim Rapley 52/56, Rod Beswick 51/56 and then C Grade to Phil Doyle 46/50 and Greg Lancaster 47/52.

Day two started off cool and windy, not changing much during the day apart from warming up a bit. Although the 'breeze' might have affected some, there were still some good results and obviously some well-deserved winners. A cash prize event

PS winner Kerry Miller and wife Vicki

started with day with a DB Continental, I did say it was a bit windy, lots of high rising targets.

A 50T PS Championship saw a regular visitor from Taree Wingham club, Kerry Miller, taking out the championship with 148/150. Kerry's wife, Vicki, helps me in the office so you can imagine the oohs and aahs and fingers crossed coming from beside me. Well-deserved though Kerry! Ross Aston and

Medley winner Brad Hooper with Ted Baker

Great couples of days at Kempsey

Continued from page 69

William Saul with first and second in AA grade following a shoot off. Ben Tyson and John Lisle taking the A Grade placings with Rod Beswick and Megan Wilkins in B Grade and not to be left out we had Greg Lancaster and Dustin Hone collecting the C Grade rewards. Has anyone seen this young junior, Dusty Hone. A pint sized shooter with a big future ahead of him.

The final event for the day was a 30T Medley Championship with local Brad Hooper shooting off against Kevin Thompson and Jacob Armstrong to collect his share of the sashes on the day. Brad's 97/100 allowed him to take out the overall winner with Kevin and William Saul collecting the AA grade prizes. Jacob collecting the A Grade first place over Kerry Miller. Rod Beswick, Tim Rapley taking out the B Grade placings and with Dustin Hone and Greg Lancaster with the C Grade placings.

High Gun sashes and prizes were also given for Overall and 1st in all grades together with Veterans, Ladies and Junior winners. The overall High Gun winner was Kevin Thompson with 367/375; AA Grade William Saul 362/375; A Grade Kerry Miller 351/375; B Grade Rod Beswick 333/375; C Grade, Greg Lancaster 321/375 with Megan Wilkins taking out the Ladies with 314/375, Ross Aston the Veterans with 351/375 and with young Guyra shooter, Dusty Hone taking out the Juniors with 317/375.

We hope everyone had a great weekend and we invite you back next month to participate in the Baker Family Memorial Deauville Doubles in conjunction with Northern Zone DD Championship.

Perfect Scores Aplenty at Wangaratta DTL

There must have been something in the air, apart from dark clouds and intermittent rain, at the Wangaratta Clay Target Club's Down the Line competition on Saturday the 19th of October. Whatever it was, it certainly helped some of the shooters. Keith Willett shot a perfect 90 in the Points Score and Gordon Twamley, Phil Thiel, Mick Rowan and Terry Pigram all shot perfect 30s in the Double Barrel event.

Club president Anton Motha and committee member Col Crittenden have put in a lot of work to make sure the traps are properly calibrated and maintained and their work is undoubtedly reflected in those excellent scores.

The first event on the card was the 30 Target Points Score. Keith Willett's perfect 90/90 gave him the AA Grade and overall win. Terry Pigram smashed all 30 targets, too, but needed his second barrel twice to do so, finishing with 88/90. In A Grade, Phil Thiel was another to

break all 30 targets and he took the win with an excellent 87/90. The host club's Bob Glossop dropped only one target to take 2nd on 86/90.

B Grade saw a shoot-off between Tom McGrath, Matt Motha and Graham Coyle. Tom prevailed to take 1st with 91/99. Matt was 2nd with 90/99. C Grade went to Peter Sunderland on 76/90.

Event two was the 30 Target Single Barrel and things were tight, with a four way shoot-off required to determine the overall winner.

SB AA 1st Carl Comensoli

Front Row L-R: Mick Rowan, Carl Comensoli & Cam Ford*

DB AA 1st Mick Rowan

DB A 1st Phil Thiel

Junior High Gun Cam Ford

Carl Comensoli proved up to the task and took the AA Grade and overall win with 41/42. Mick Rowan was 2nd in AA with 30/32. A Grade went to Bob Glossop, who had been part of the shoot-off for overall, on 29/30. Phil Woods took 2nd with 35/38 after a shoot-off with Phil Thiel and Anton Motha. B Grade was a family affair with young Cam Ford beating his mum, Joanne Ford, 27/30 to 23/30. C Grade went to Peter Sunderland on 23/30.

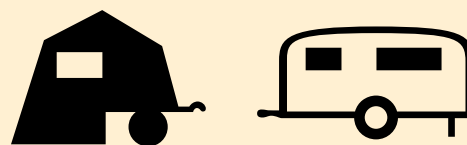

Event three, the 30 Target Double Barrel, saw great shooting, close scores and even more shoot-offs.

In AA Grade, Mick Rowan, Terry Pigram and Gordon Twamley all shot possibles, but, after an epic shoot-off it was Mick who took 1st in grade and the overall win on 67/67 with Terry 2nd on 66/67. A Grade went to Phil Thiel with 31/32. Bob Glossop took 2nd with 41/42 after a shoot-off with his son, Scott. B Grade saw the Ford family at it again, Cam prevailing once more with 31/33. Joanne Ford was 2nd on 39/42 after a shoot-off with Tom McGrath. C Grade was won by Peter Sunderland on 27/30.

High Gun winners were: Overall, Keith Willett 152/156, after a shoot-off with Terry Pigram; Veterans, Bob Glossop 144/150; Ladies, Joanne Ford 126/150 and Juniors, Cam Ford 136/150.

CAMPING ON THE NATIONAL GROUND

Due to the demand for camping sites on the National Ground for major ACTA events, it is advisable to book early to avoid disappointment

Powered and unpowered sites are available

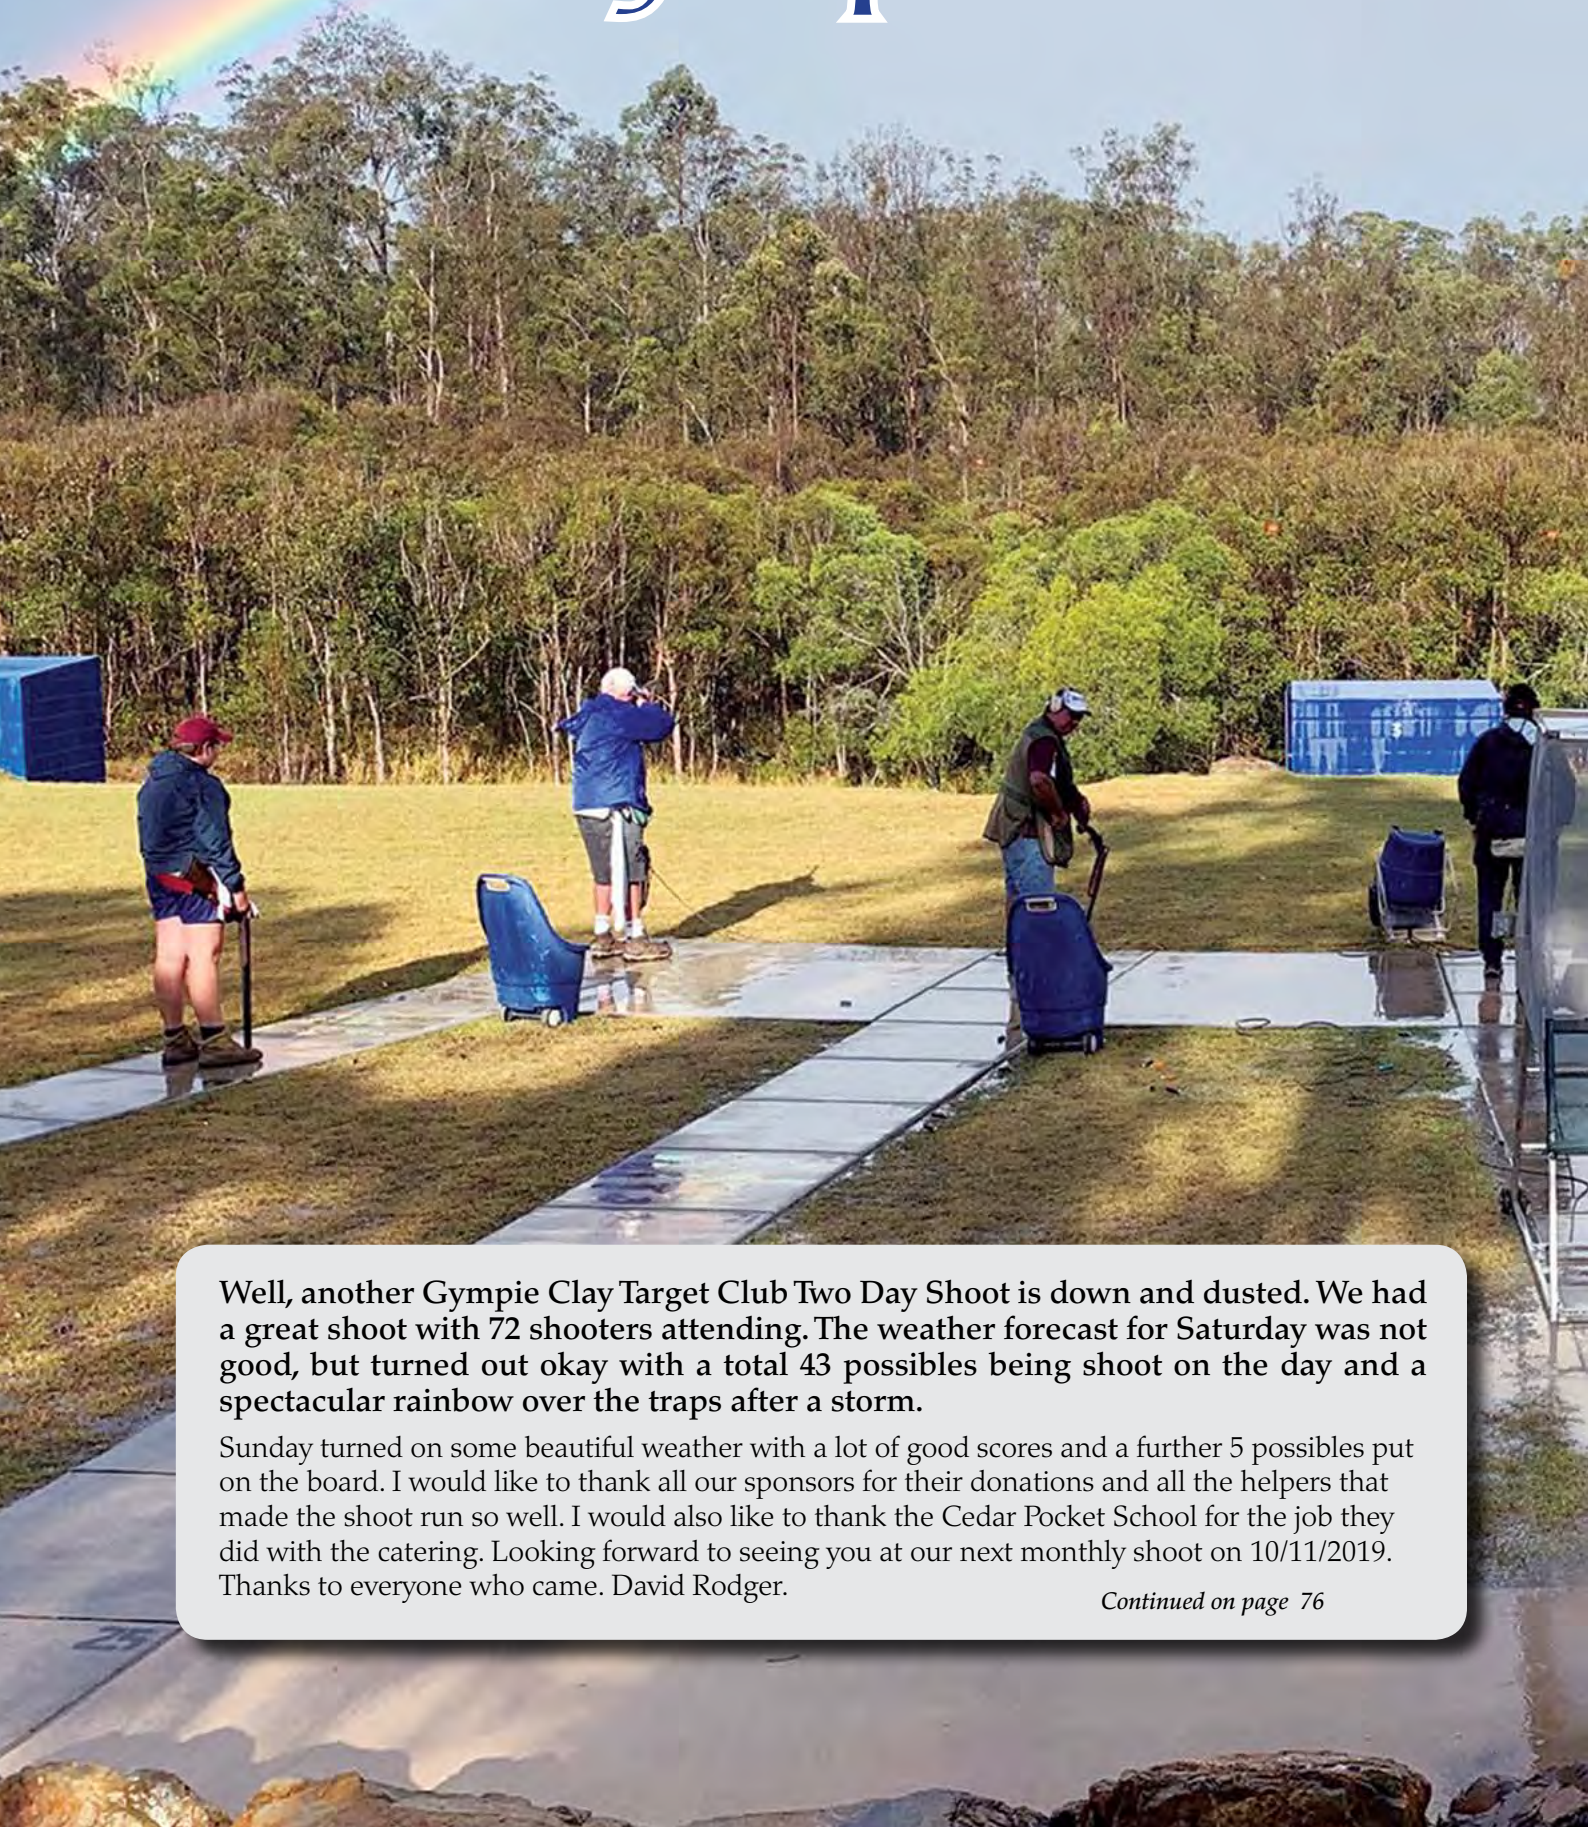

Powered \$20, Unpowered \$10

As of 2020 –

Powered Sites \$30, Unpowered \$15

To reserve a site phone the National Office on 02 6938 2121 between 10am and 3pm

Serene setting at Gympie

Well, another Gympie Clay Target Club Two Day Shoot is down and dusted. We had a great shoot with 72 shooters attending. The weather forecast for Saturday was not good, but turned out okay with a total 43 possibles being shoot on the day and a spectacular rainbow over the traps after a storm.

Sunday turned on some beautiful weather with a lot of good scores and a further 5 possibles put on the board. I would like to thank all our sponsors for their donations and all the helpers that made the shoot run so well. I would also like to thank the Cedar Pocket School for the job they did with the catering. Looking forward to seeing you at our next monthly shoot on 10/11/2019. Thanks to everyone who came. David Rodger.

October 23-25	SA State ISSF	State Shooting Park Virginia SA

South-West Middle Years Clay Target Competition

Monday October 28, 2019 saw the celebration of the tenth year of this Warrnambool-based competition in what could only be described as perfect conditions, both in relation to the presented facilities and the weather. In what is a very well supported event, 156 students from 13 secondary schools in this region descended upon the Warrnambool Gun Club.

The following schools were represented: Brauer College Warrnambool (32), Camperdown College (3), Cobden Technical School (5), Colac Secondary College (14), The Geelong College (5), Good Shepherd College Hamilton (13), Hamilton & Alexandra College Hamilton (11), Mercy Regional College Camperdown (11), Monivae College Hamilton (13), St Patrick's College Ballarat (29), Terang College (3), Timboon P-12 School (10) and Trinity College Colac (7).

The standard of shooting was exceptional, with the first ever perfect score of 24/24 achieved by Jack Skinner of Trinity College. Placings in three categories were determined by shoot-offs.

High Gun: Jack Skinner Trinity College.

Novice Girls: 1st Libby Diprose H & A College, 2nd Rosie Dapheide H & A College, 3rd Jade Van Es Timboon P-12.

Novice Boys: 1st Lachlan Veale H & A College, 2nd Will Baker Good Shepherd, 3rd Jim Kyle Good Shepherd.

Experienced Girls: 1st Rebecca Linke Good Shepherd, 2nd Ruby Lawrence Good Shepherd, 3rd Sarah Taylor Good Shepherd.

Experienced Boys: 1st Fraser Diprose H & A College, 2nd Noah Cameron Monivae, 3rd Caleb Creasy Monivae.

The format of the day was a 24-target competition involving two 12 target visits. Students were identified by their schools as either NOVICE – less than 12 months shooting involvement or EXPERIENCED – more than 12 months shooting involvement. There were also girls' and boys' categories in each of these.

Novice Girls

Novice Boys

Jack Skinner Trinity College

The generosity of sponsors enabled the following awards possible:

Perfect Rounds: Jack Skinner Trinity (twice achieved), Marcus Hocking Brauer.

Most Improved Over The Two Rounds: Will Britt +6 St Pat's, Akyla Hoey +5 Brauer, Isaac Van Kempen +5 Brauer, Marcus Hocking +5 Brauer, James Kopke-Veldhuis +4 St Pat's, Henry Stansfield +4 Timboon, Marty Boyer +4 St Pat's, Dylan Robertson +4 Camperdown, Toby Pride +4 Terang & Edward Johnstone +4 MRC.

The day went off 'without a hitch' and thanks must

be extended to the parents, teachers and Gun Club members who assisted in many areas to ensure the event was successful. A huge thank you to Mal Dyson and his team at the Warrnambool Gun Club for providing their facility and presenting it in such magnificent condition.

Congratulations to all students for the manner in which they participated, their extremely positive behaviour, promptness when required and, as DFO Michael Gloury commented, demonstrated excellent firearm safety.

Details regarding the 2020 shoot will be made available early term 3 2020.

40TH NORFOLK ISLAND INTERNATIONAL CLAY TARGET CHAMPIONSHIPS 02 - 07 February 2020

A competition and a South Pacific Holiday all in one!

Enjoy Norfolk Island's reputation as a safe, easily accessible and beautiful destination. You'll be challenged by friendly local, Aussie and Kiwi shooters and The Norfolk Island Clay Target Association is well known as welcoming, organised and hospitable hosts – the perfect recipe for a fantastic week of clay target shooting.

Bring a Club or family group of both competitors and non-competitors and qualify for great accommodation benefits at some properties.

"If anyone has thought about going to Norfolk for the shot gun shoot, do it, you will have a great week. Everyone is very friendly and helpful so get yourself booked in and have a ball" – V.G Bundaberg Qld
